

Scientific programme Wednesday 13 September 2023

Room: Auditorium, Time: 08:00 – 18:30

Actual programme might be subject to change due to live surgery

08:00 – 08:10 Outcome of live surgery patients operated during ERUS22 Barcelona

08:10 – 10:10 Live surgery I
Case presentations

Screen A: Transperitoneal RAPN for highly complex renal mass

Retzius sparing radical prostatectomy

Screen B: RARP

Screen C: RARP with dual console

RAPN

10:10 – 10:15 Welcome

10:15 – 10:45 Coffee break and e-poster/video viewing

10:30 – 13:00 ESU course 1: Advanced robotic reconstructive urology

10:45 – 11:05 Key-Opinion lecture: The art of robotic prostatectomy

11:05 – 11:35 Head-to-head comparison for large BPH

11:05 – 11:15 Robotic simple prostatectomy: Which technique for which patient?

11:15 – 11:25 Why laser enucleation should be performed?

11:25 – 11:35 Discussion

11:35 – 12:05 Industry presentation/ pre-recorded: PROMAXO

12:05 – 13:30 Live Surgery II
Case presentations

Screen A: Transperitoneal RAPN with augmented reality for totally endophytic tumour

Screen B: Robotic assisted focal prostatectomy

Retzius sparing RP for locally advanced tumour

Screen C: Retroperitoneal partial nephrectomy

13:30 – 14:30 Lunch break and e-poster/video viewing

14:30 – 17:00 ESU course 2: Update on robot assisted partial nephrectomy

14:30 – 15:00 **Head-to-head on radical cystectomy with neobladder configuration**

14:30 – 14:40 Robotic approach should be always preferred in every case

14:40 – 14:50 Robotic surgery; no, thanks. The open standard approach is still the way to go

14:50 – 15:00 Discussion

15:00 – 15:50 **Roundtable on prostate cancer**

15:00 – 15:10 Avoiding prior biopsy before radical prostatectomy: Innovation or sacrilege?

15:10 – 15:20 Update on PET PSMA

15:20 – 15:30 Prostate-specific membrane antigen radioguided surgery to detect nodal metastases in primary prostate cancer patients

15:30 – 15:40 Neoadjuvant therapy is knocking on the door: Implications from a pathological standpoint

15:40 – 15:50 Discussion

15:50 – 16:20 **Coffee break and e-poster/video viewing**

16:20 – 18:30 **Live surgery III**

Case presentations

Screen A: Transperitoneal PN for cT2 renal mass

RAPN

Screen B: Robotic ureteroplasty with buccal mucosa

Ureteral reimplantation

Screen C: RARP

RARP

Scientific programme Thursday 14 September 2023

Room: Auditorium, Time: 08:00 – 19:30

Actual programme might be subject to change due to live surgery

08:00 – 10:30 Live Surgery IV

Case presentations

Screen A: Kidney donor nephrectomy

RAPN SP for complex renal tumour

Screen B: Sexual sparing robotic radical cystectomy in women

Robotic adrenalectomy

Screen C: RARP

10:30 – 11:00 Coffee break and e-poster/video viewing

10:30 – 13:00 ESU course 3: Nerve sparing RARP: Different ways to skin the cat

11:00 – 12:30 Technology Forum

The Technology Forum is held at the ERUS meeting every year to showcase the newest robotic innovations and technologies. You will be invited to present data, results or a demonstration of your company's latest developments.

Presenter: A. Mottrie, Aalst (BE)

12:30 – 13:30 Lunch break and e-poster/video viewing

13:00 – 15:30 Live Surgery V

Case presentations

Screen A: Robotic kidney transplantation

Screen B: RARC with FloRIN in women

Robotic Sacrocolpopexy

Screen C: Robotic ileal ureter for long ureteral stricture

RARP

14:30 – 16:30 ESU course 4: Advanced course in robotic cystectomy and diversion

15:30 – 16:20 Roundtable on re-do robotic surgery

15:30 – 15:40 Re-do pyeloplasty

15:40 – 15:50 Re-do ureteral surgery

15:50 – 16:00 Re-do vesico-urethral anastomosis

16:00 – 16:10 Re-do POP surgery

16:10 – 16:20 Discussion

16:20 – 16:30 Presentation of ERUS24

16:30 – 17:00 Coffee break and e-poster/video viewing

17:00 – 17:10 Wickham Award presented by the ERUS Scientific Working Group

17:10 – 18:40 Live Surgery VI

Case presentations

Screen A: Inguinal lymph node dissection for penile cancer

RAPN

Screen B: RARP Complex case

Screen C: Robotic diverticulectomy + adenomectomy

Robotic ureteral reimplantation

Scientific programme Friday 15 September 2023

Room: Auditorium, Time: 08:30 – 15:30

Actual programme might be subject to change due to live surgery

08:30 – 09:00 **Medicaroid Hinotori Semi-Live Surgery pre-recorded**

09:00 – 10:30 **Live Surgery VII**

Case presentations

Screen A: **Fistula repair**

Re-do Pyeloplasty

Screen B: **Transperitoneal RAPN**

RARP

Screen C: **RN with thrombus level 3**

10:30 – 11:00 **Coffee break and e-poster/video viewing**

11:00 – 11:30 **Award session: Best poster and video awards**

3 best posters; 2 min presentation each = 6 min

3 best videos; 7 min video each = 21 min

Leaves 3 min discussion

11:30 – 12:20 **Europe meets America, NARUS – SRS joint session**

11:30 – 11:40 **Lecture 1**

11:40 – 11:50 **Lecture 2**

11:50 – 12:00 **Lecture 3**

12:00 – 12:10 **Lecture 4**

12:10 – 12:20 **Discussion**

12:20 – 13:10 **ESU - ERUS joint session**

12:20 – 12:30 **State-of-the-art: Current ESU training**

12:30 – 12:40 **Update on ccERUS setup**

12:40 – 12:50 **Overview of Robotic training in U.S.**

12:50 – 13:00 **The metaverse in urology: Implications for surgical training**

13:00 – 13:10 **Discussion**

13:10 – 14:00 **Lunch break and e-poster/video viewing**

14:00 – 15:30 **Live Surgery VIII**

Case presentations

Screen A: **Robotic sacrocolpopexy for recurrent POP**

Robotic parastomal hernia repair

Screen B: **Robotic RPLND (residual mass post QT)**

Screen C: **Radical nephrectomy with thrombus level 1-2**

15:30 **Close of the meeting**
