Scientific Programme Wednesday, 11 September
Junior ERUS-YAU Meeting - Room: Auditorium II
12:15 – 16:00

*Actual programme might be subject to change due to live surgery*

**12:15 – 12:30** Welcome and introduction  
G. De Naeyer, Aalst (BE)

**12:30 – 13:00** Session I: 20 years of robotic surgery: From 1999-2019. Some questions remain unanswered  
Moderators: N. Buffi, Milan (IT)  
A. Ploumidis, Athens (GR)  
A. Wallerstedt-Lantz, Stockholm (SE)

**12:30 – 12:40** Robotic fellowships: Where, when and why? And recent fellow experience  
C. Wagner, Gronau (DE)

**12:40 – 12:50** “Wasn’t robotic surgery “Intuitive” and easier than laparoscopy?” about Proctoring, Mentoring and Tele-mentoring in robotic surgery  
G. De Naeyer, Aalst (BE)

**12:50 – 13:00** Campbells, You-Tube or the crowd? About the internet, social media and the changing environment for learning robotic surgery  
S. Goonewardene, London (UK)

**13:00 – 14:00** Session II: Practical interactive session: Workshops for the robotic novices  
Moderators: G. De Naeyer, Aalst (BE)  
W. Everaerts, Leuven (BE)  
A. Larcher, Milan (IT)  
G. Pini, Milan (IT)

**13:00 – 13:15** Succes and troubleshooting for the bedside assistant upper tract: How to do better than standard?  
A. Ploumidis, Athens (GR)

**13:15 – 13:30** Succes and troubleshooting for the bedside assistant lower tract: How to do better than standard?  
A. Mattei, Lucerne (CH)

**13:30 – 13:45** To see or not to see: Tips and tricks for Indo-Cyanin-Green (ICG) usage in robotic urologic surgery  
N. Grivas, Ioannina (GR)

**13:45 – 14:00** “Help, My patient asks for Retzius-sparing.” Critical appraisal of Retzius-sparing RARP  
A. Larcher, Milan (IT)
14:00 – 14:15 Coffee break & poster viewing

14:15 – 15:15 Session III: Semi-live surgery
Moderators: J. Gaya Sopena, Barcelona (ES)
            N. Grivas, Ioannina (GR)
            S. Goonewardene, London (UK)
            S. Tyritzis, Athens (GR)

Semi-live cases with detailed discussion with the surgeon.

14:15 – 14:35 Robotic ureteral re-implantaion (Psoas-hitch and Boari)
W. Everaerts, Leuven (BE)

14:35 – 14:55 Robotic adenomectomy with bladder diverticulectomy
P. Delli’Oglio, Milan (IT)

14:55 – 15:15 Robotic female urinary sphincter implantation
B. Peyronnet, Rennes (FR)

15:15 – 16:00 Session IV: Best of 2019...
Moderators: W. Everaerts, Leuven (BE)
            A. Larcher, Milan (IT)
            A. Wallerstedt-Lantz, Stockholm (SE)

15:15 – 15:25 Best papers in kidney cancer
G. Pini, Milan (IT)

15:25 – 15:35 Best papers in Prostate cancer
J. Gaya Sopena, Barcelona (ES)

15:35 – 15:45 Best papers in bladder cancer
S. Tyritzis, Athens (GR)

15:45 – 16:00 Awards for best video and poster

16:00 – 16:15 Take home messages and adjourn
